

Good morning! Here are your tasks for today:

1. Use Socratic to take the reading check test covering *Siddhartha* Chps. 3, 4, 5, 6.
2. When you are finished, use these sites to find a quote from Buddha that you like:

4. Type (or copy/paste) a favorite Buddha quote on a sticky note and add it to our class canvas. (Experiment with linoit. You'll be able to figure out how it works...)

Rules: First, type your first name and last initial on your sticky note. (Feel free to include an icon.)
Quotation marks and correct spelling are required.
No repeat quotes. If someone already used yours, pick another one.

5. When you are finished adding your sticky note, continue to read *Siddhartha*. (I will show you our complete canvas on another day.)
